**PROCLAIM to  
TRANSFORM**

# THE MISSION

The driving force of Gospel of God Ministries is to proclaim the Gospel in the cities of America, with partner churches and volunteer, until faith becomes action, allowing the Holy Spirit to transform people. We have the unwavering belief that God is willing and able to build a (universal) church that will impact the nations for His glory through the proclamation of the Gospels and making disciples to do the same. If this continues to happen, there will be an evangelist inside of every healthy church in America.

# THE VISION

Gospel of God Ministries proclaims and teaches the Gospel in cities all over the world, alongside partner churches and volunteers until faith becomes action. We do this in three ways:

## SHAPE

We shape by training believers how to share their faith and how to defend it. We want to ignite people to put the Gospel into action. (Matthew 28:19); to help pastors encourage and equip new believers for evangelistic efforts by training them with our five evangelism curriculum (2 Timothy 4:5); to give nominal Christians courage and a platform to share their faith at local events (Romans 1:16); and to find evangelists and disciple them to perform their God-given roles through our two-year internship (Ephesians 4:11).

## SHARE

The harvest is great but the laborers are few (Luke 10:2). A low percentage of Christians share their faith on a regular basis. Bill Bright from Campus Crusade says it's as low as 3%. GGM takes believers out to share their faith in Jesus. We focus on abortion clinics, sporting events, street festivals, and college campuses.

## SUPPORT

We support the local church by working with believers that are committed to the local church.

The Apostle Peter said that we should be ready to give a reason for the hope we have (1 Peter 3:15). And Galatians 1:9 claims that false gospels are being taught and they must be exposed and condemned. False religions, humanism, and cults are saturating our culture, catering to the rebellious human heart. Truth must be spoken to awaken people from their rebellious slumber.

# THE UNREACHED

As a general statistic (and example of our nation's state), the U.S. population in 2011 was over 311 Million. The membership of the seven major Protestant denominations in the U.S was just shy of 42 Million. So, this gives us a general number of over 269 Million unreached people. But if every member in the seven denominations were to share their faith with about 7 people, the entire U.S. population would hear the Gospel. We want to raise an evangelist up in every healthy church in America.

IMAGINE  
what it would  
be like to have a  
MISSIONARY  
proclaiming the  
GOSPEL  
everyday to the  
people who will  
NEVER  
come to the local  
CHURCH

**Mark Armstrong**  
Open Door Church

"To partner with GGM has been a great blessing for Open Door Church. He has helped many of our members see the value of street preaching, and in so doing, has removed much of the fear and intimidation that many people feel. We now have a regular group of men that are serving with Tommy, and making an impact for Christ in our area."

# THE EVANGELISTS

## PETER FIRTH

I am blessed to be a leader with GGM. There is no greater joy than to proclaim Jesus Christ crucified to the lost, wherever they may be found. I've had the privilege of preaching with GGM for several years. One of the great benefits of serving in this ministry is the accountability that is required to maintain a personal level of holiness and integrity that God demands from those who serve him.

I am a saved sinner. May the Lord help me in my struggles that my prayers and service be not hindered. I've learned that the only way to make it is through total surrender to God's will, which paradoxically is my freedom. With God's help, I am able to prepare sermons and grow in the knowledge of Him, which draws me closer to the Lord. My main focus in the ministry has been reaching local abortion facilities, as well as the bus station in downtown Raleigh. I am also enrolled in GGM's internship program to develop skills in evangelism and apologetics. I would ask that you pray for me to be fervent in my prayer life and to have even more desire to see souls saved in true conversions. May the Lord be exalted and magnified in all that I do or say.

## JAMIE CLARK

I am from Lexington, SC and have been a leader with GGM for several years, with a primary focus of ministry being along Main Street in downtown Columbia. Lord willing, I will be out at the home games for USC Gamecocks football. Some major benefits of being a part of GGM is the network of Godly men who can offer wisdom and direction in the ministry of OAP, as well as prayer partners that lift us up to the Lord.

Another benefit is the availability of Bibles and tracts to hand out during outreach. Please pray that the Lord will continue to open doors for the Gospel to go out, that hearts would be prepared to hear and repent, trusting in the Lord Jesus. Pray also that the Lord will give us favor with elected officials and law enforcement.

Additionally, pray that He would raise up laborers for the harvest field here in Columbia. Please pray for my family and myself that I would love as Christ loves and manifest His grace daily, as well that our eyes would be focused solely on Christ, the author, and perfecter of our faith, and that we would walk by faith and not by site. Our son Caleb, has difficulty with his speech and recieves therapy. Please pray for this issue to be resolved. thank you and God bless!

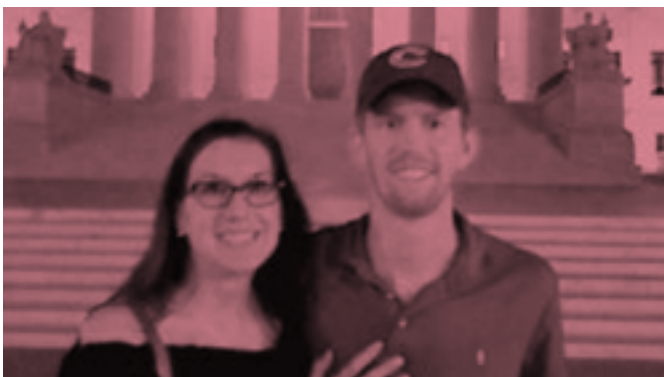

## JOHNNY DOS SANTOS

I was born and raised in Brazil. I came to New Jersey in 2010 with his wife Ana and stepdaughter Thaynara. Although I was born and raised in a Christian family, I became a genuine follower of Christ in 2010 after the conversion of my wife. For over five years we served in a Portuguese speaking church, where we also completed theological training. Currently, I work in the construction industry where I own and

operate my company. I joyfully serve as an elder at Christ Our Hope Church in Lyndhurst, NJ. My desire is to see the gospel of Jesus Christ proclaimed to all people groups, through the faithful witnessing of the church. I believe the proclamation of the Gospel is what will transform a life. Our church is beginning to publicly witness for Christ in our city every month.

## BILL ROACH

My wife Molly and I live in Wake Forest, NC and we have been married for six years. I am currently the president of the International Society of Christian Apologetics. I have a ThM and PhD from Southeastern Baptist Theological Seminary and a BA and MA from Southern Evangelical Seminary. I have been in ministry for over 20 years as an ordained minister, college professor, and author. For most of that time,

I have been working as a Christian apologist speaking at universities, churches, conferences, and other venues. I grew up in a context with little to no Christian influence. Before coming to Christ, I had several questions about Christianity and felt like no one was able to answer my questions. I used people's inability to answer my questions as justification for not becoming a Christian. But God in His grace saved me and set me apart to proclaim the gospel.

After my conversion, I started to share the gospel with those around me through personal evangelism, street evangelism, and preaching in local churches.

Soon after, however, I quickly realized that several people (like myself) had major objections to the gospel and they used those objections as a smokescreen to not become a Christian. So, because of those experiences, I made it my life's goal to preach the gospel and defend the historic Christian faith through biblical evangelism and apologetics. One of the many benefits of working with GGM is it gives us the opportunity to proclaim the gospel, evangelize the lost, and defend the historic Christian faith. Please pray for all of us as we engage this post-Christian world with the gospel of Jesus Christ. Soli Deo Gloria!

## PAUL ROEPNACK

My name is Paul Roepnack and I have been a team leader for 5 years. It has been such a blessing to preach with Gospel Of God Ministries teams locally and nationally, and doing so has increased my faith and love for Christ, as I spend time with this team of men who are challenging me and encouraging me.

Right now, my ministry focus has been the local high school here in Cary, NC, one of the largest high schools in NC, and our kids have been instrumental in that outreach. I stand with my daughter at 7 am during morning drop off, offering free Bibles, Gospel DVD's, and tracts while I proclaim the Gospel to both parents and students at the high school. The experience has been eye-opening. Students come up to ask for free Bibles, some remarking they have never owned one before. Angry parents sometimes try to interfere, but God has also provided several faithful mothers who get out of their cars to run interference. Students ask questions, and some just need a word of encouragement, but overall the Gospel is proclaimed out loud to students who will spend the entire day accumulating knowledge but will not be taught Wisdom, which is to fear the Lord. We pray during each outreach that God would soften hearts and open eyes to Jesus Christ. Please pray along with us.

## BRYAN BRADY

My name is Bryan Braddy, from Wake Forest, NC. I have been a leader with Gospel of God Ministries for about 3 months now.

I have been going out with Gospel Of God at many of the special events in downtown Raleigh, Super Bowl Out-reaches in San Francisco, Houston, Minnesota, Kentucky Derby, Coca-Cola 600 in Charlotte, and Friday Nights on White in downtown Wake Forest.

I began by just handing out gospel tracts, but soon was having conversations with people about Jesus, and finally open-air preaching for the first time in San Francisco. I believe that God is using Gospel of God to equip believers and encourage them to share their faith as they did for me. Please pray that the Lord will open the hearts and the eyes of the lost to the Gospel. Pray for my son Colin, who is 19, that he will continue to study God's Word and become a Godly man as he leaves our home and returns to college. Please pray for my wife Emily, as she starts a new school year as a preschool teacher. Pray that my younger son, Aidan, grows in his faith and that Dylan, my youngest, would profess the Lord as his Savior. Thank you and God bless!

## ZACK BRADY

My wife Kim and I have four beautiful children Lukas, Paton, Haley, and Ava they keep us very busy. My major harvest field post is the local abortion mill in Raleigh, NC. The Gospel is to be preached at abortion clinics because there, more than anywhere else, lives and the glory of God are at stake.

Proverbs 24:11 tells us to "Rescue those who are being taken away to death; hold back those who are stumbling to the slaughter." In a very real way, as ambassadors of Christ, we are doing just that when we go to these places of death and darkness and preach the words of life and light found in the Gospel of Jesus Christ. Men and women are hell-bent on destroying the lives of their own children, rebelling against the God who has given them the gift of a child and who calls them to turn to Him in faith.

We have been tasked with the job of preaching the Gospel to them in order that they might repent of their hatred and murderous intentions toward their children and place their trust and faith in the only one who can save them, Jesus Christ. When we go to proclaim the Good News, our desire is to see God glorified, to see souls won to Christ, and to see babies saved. We go because God commands us to go (Matt. 28:18-20, Prov. 24:11, Mark 16:15), because we are to love our neighbors as ourselves, and because we want to see God put an end to the horrors and injustices of child sacrifice that occur on a daily, even moment by moment basis at these mills. As Christians, it is our duty and privilege to herald the Gospel of our King at the abortion clinic.

### SEAN KEEFE

My name is Sean Keefe and my major harvest field post is in Raleigh, NC on Friday nights. We have been faithful- by Gods grace- to consistently share the Gospel for the past two years. God has done things that only he could do. My wife Elisa and I have two kids Miranda and Joe. Thank you for continually praying for our ministry to the lost souls in Raliegh, NC.

### TOM CABRAL

My name is Tom Cabral my wife Deb and I raise two teenages girls Bethany and Tiffany. I have been evangelizing for 7 years. I started doing street corner evangelism with a cross that says "Are you Ready" on the streets of Fall River Massachusetts in 2012 and then started doing open air preaching in 2013. This was an extension of my Pastoral ministry. We live in Cape Coral, Florida. I am currently ministering on the campus of

Florida Southwestern and doing the other forms of evangelism listed above as we minster to Southwest Florida and beyond. The Lord Jesus has burdened my heart to tell those outside the church, who are not actively looking for God, BUT God is pursuing with grace and mercy, We know that God will judge perfectly those who reject the gospel and live self centered lives with no eternal value. Please pray we can minister and connect the young people at FSW to a local church where they can be discipled and grow in Gods grace. Please pray that my wife and I would be useful in the local church and beyond and that our daughters would stand strong in their faith and share it with their friends.

## KEN CHEESESMAN

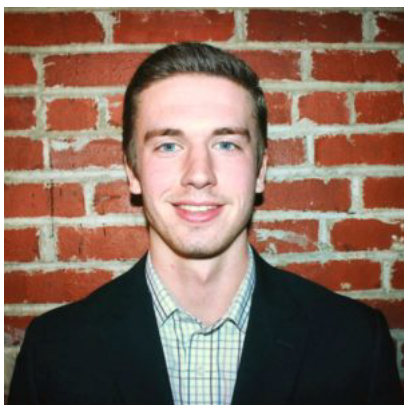

Hey guys! I am super excited to be a part of GGM! Kristina and I have four children. Megan, Madison, Mathew, and Micah. I have previously served as an elder in a church in Florida for 5 years and have been the deacon of evangelism at my local church for the last 5 years. Please pray that I can be a faithful husband and father, leading my family in the fear of the Lord.

God saved me when I was 17 years old. None of my family were believers so my first few years were rocky to say the least. Once Kristina and I were married God really convicted us that we should be sharing the gospel with as many people as possible. We basically practiced "friendship evangelism" since we had no real training in how to share our faith. Even with our lack of training God used our efforts and saved co-workers and family members.

In the last few years our understanding of evangelism has become more biblical and enjoyable. Within the last year we wanted to focus on abortion ministry and met Zack Braddy and Scott Smith. Zack really challenged us with his boldness and being unashamedly Christian at the abortion mill. Scott made open air preaching downtown fun and exciting. Now with training from Tommy and being consistent weekly at the abortion mill we have seen God use and grow us in amazing ways!

## ANDREW DAVIS

Greetings to all! My name is Andrew Davis, and I am a native to Wake Forest, NC. After moving around a little, I landed in "The Forest" and attended elementary through high school in the Wake Forest public schools. The Spirit granted me repentance and faith by the Gospel of Christ at a very young age. Growing up with this child-like faith, I had a deep love for Jesus and wanted to honor him with my life. Playing basketball since I was little exposed me to a lot of different experiences culturally, and Christ bolstered my faith amid my time.

Eventually, the Lord opened the door for me to play college basketball, which led me to get a B.A. degree in Mass Communications at Emory & Henry College. Soon, the Lord would call me to preach the Word my senior year of college, thus directing me to Southeastern Baptist Theological Seminary, where I currently attend as I seek to acquire my MDiv in Preaching and Pastoral Ministry.

## ANDREW DAVIS

I remember the Spirit convicting me of my inaction when it came to the evil of abortion. After hearing a compelling sermon on this issue, I was moved to seek out ministries who were involved in stopping abortion immediately. I knew of Apologia Studios in Tempe, AZ, and how they handled confronting abortion with the Gospel, but I was unaware of that kind of ministry in the RDU area. I remember Google searching "open-air ministries," and by God's providence, the Gospel of God ministries came up. After connecting with Tommy, I went through his course on open-air preaching and was compelled to join in on the ministry efforts. God placed the likes of George Whitefield and Samuel Davies (Great Awakening preachers) in my path, and these men (though deceased) have pushed me to commit to preaching the Word so that those in the highways and hedges might be compelled to enter into the great banquet feast of our King Jesus.

## JOE TOY

Joe grew up in Shillington, PA and attended First EC Church of Reading. He is a 1978 graduate of Governor Mifflin High School. In 1982, he received a Bachelor of Science Degree in Economics from Millersville University. In the spring of 1982 as a senior in college, Joe committed his life to Jesus Christ. Upon graduation, Joe began his career as an accountant in Trenton, NJ. During this time, he attended Newtown Community Church in Newtown, PA. While attending this church, Joe felt the call to full time ministry. He left his job to attend Moody Bible Institute for a 3-week seminar on Urban Evangelism with plans to attend Evangelical Seminary in the fall of 1984.

When Joe returned from Moody, he began a street ministry in the city of Reading called Inner City Campaigners. From this street ministry, an outreach to children and teens began at First EC of Reading called The Source. This ministry continued from 1984 to 1988 when Joe moved to Philadelphia, PA. Joe began his theological studies at Evangelical in 1984 and ended in 1987. During this time, Joe became a commissioned missionary and a licensed preacher in the Evangelical Congregational Church in May of 1985. In 1985, Joe and Wendy met at Evangelical Seminary while he was working on his Masters of Divinity studies and were married in 1986. Joe and Wendy have five sons. Jared(1987), Seth(1989), Ethan(1989), Aaron(1991) and Adam(1994). The boys were home schooled from 1991 to 2013. Joe and Wendy have been blessed with four daughters in-law and eight grandchildren.

In 1988, Joe and Wendy moved to Philadelphia to begin work full time with Open Air Campaigners which lasted until 1992, when Joe began to serve as an associate evangelist with them until 2000. Joe now serves on the board of directors of OAC, Inc. In 1992, Joe became one of the few Evangelical Congregational Church denominational missionaries, which is a status that continued until 2008.

**JOE TOY**

In 2009 Joe formed his own 501c non-profit corporation called Open Air Ministries, Inc. Joe’s ministry is primarily evangelistic by nature. Outreach has been conducted at bus stops, subways, college campuses, center city, parades, events, neighborhoods, parks and other areas in and around the Metro Philadelphia Area. In the past, Joe was involved in the Philadelphia Port Ministry, outreach in inner city neighborhoods with children and was a co-pastor for Metro Kids, an outdoor kid’s church in various locations in Philadelphia from 2007 to 2011.

From 2013 – 2021, Joe did weekly outreach in Camden, NJ, and Upper Darby, Frankford and Olney in the Philly area. In the summer, He was involved in outreach at the New Jersey, Maryland and Delaware beach resorts. During the school year, outreach was also done on various college campuses. In May of 2021, Joe and Wendy have transitioned to the Raleigh, NC area where Joe will continue to do outreach with various organizations and other evangelists at abortion clinics, bus stops, the bar strip, the streets of Raleigh, college campuses and wherever God may lead. Already, event outreaches have been conducted at the NC State Fair, NC State football games, Comic Con Festival and Myrtle Beach Blitz He will continue to travel to national events such as Mardi Gras, Indy 500, Spring Break Florida, Senior Week in Ocean City, MD, sporting events and other venues to share the gospel.

I was raised in a home that attended church but without evidence of salvation for either my parents or siblings.

My brother had an experience at work as a teenager and shared his experience with my mom. Convicted on what she heard, my mom began reading the bible and came to Christ in the late 70's after I was out of the house in college. My dad came to the Lord in 1980, along with some of my siblings in the 80's. In 1992, my dad and I were in Atlanta, GA for a 'Braves weekend', and attended 1st Baptist Church on Sunday when the Holy Spirit came into my heart. My wife Sally came to the Lord in the early 1980's, and has been an encouragement to me over the 34 years we have been married. We have 3 daughters, Jennifer, Sarah, and Kate, all married, with three grandchildren—John Duke, Sadie Kate, and

## TOMMY WALTZ—EXECUTIVE BOARD CHAIRMAN

Tommy is the founder of Gospel of God Ministries. He received his Associates of Arts degree from Southeastern Baptist Theological Seminary in 2010. He received his Bachelor of Arts in Christian Studies with a minor in Apologetics in the fall of 2012 from SEBTS. He has been a missionary/evangelist sharing the Gospel in prisons, churches, and the open air since 2004. Tommy, is the author of, "Into The Harvest Field."

I grew up in a family with no religious background. The leaders in my life were alcoholics and loved pornography, so this was my influence. I was born a twin. While I was in the womb, my position did not allow my right side to develop properly. I entered the world partially paralyzed and developed a speech impediment when I started talking. In the fourth grade, I was diagnosed with a learning and reading disability. I was picked on a lot in school and was told that I was slow and dumb. During my late teenage years, the label of slow and ignorant continued to plague my lost soul. I found work in Columbia, SC as a

personal trainer and my idol became my body. I also joined several rock bands. With my last band, we produced a CD and toured the Southeast. This life was from the pits of hell. The longer I lived, the more I hated my life. I had no purpose, no meaning, and no direction.

At the age of twenty-three, a lady invited me to a play on the life of Jesus. It explained His life from birth to His resurrection. This was the start of the whole transformation. I didn't give my life to Christ that night. I continued running for a year. As I read God's word, a deeper conviction of sin grew. I was on the verge of taking my life, but through God's grace He spared my life. The night I was going to take my life I found a card in my room from a person that reminded me of Jesus' love for me. Turning to the Lamb of God who takes away the sins of the world, I repented and placed my faith in Jesus that night in my room. My view of life is simple – Jesus died and came out of the grave for me, so I have to live for Him.

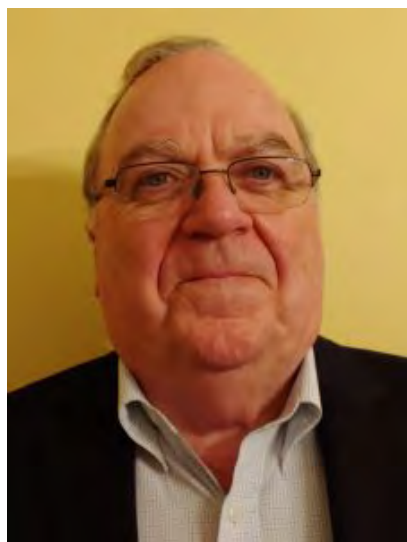

My Jesus found me broken on my bedroom floor not wanting to live anymore. Oh, how can I not share His Glorious Name? He has taken a slow, crippled boy off a farm in South Carolina and given him new life. I type this with tears in my eyes. I am a man who is blessed beyond measure with an amazing wife who has believed in me from day one and three amazing girls. May we all boast together in what Jesus Christ has done in all of our lives. We serve an amazing God. He saved us and now He deserves our entire lives.

## 4. Dealing With Present Day Holocaust

This training will help you think through how to end abortion in your city by taking the Gospel to your local abortion mill. We will also discuss a strategic way you can help end abortion once and for all.

## 5. Go Stand And Speak

This training is geared for those men who want to go and break the sound barrier by learning how to Open Air Preach. We will focus on ten major lessons that any new Open Air Preacher must master in order to have longevity in their calling.

# COACHING

Anyone who wants to go through our coaching track is welcome to attend our coaching sessions via conference call. We offer coaching two times a year once in the spring and fall. **A two year internship is coming soon!**

You will receive our newsletter three times of year to keep up with all the latest ministry news.

# SHARE

Listed below are the 4 major locations where we go to proclaim the Gospel.

## 1. Abortion Mills

We share the Gospel at our local abortion mills because we must be a voice for the voiceless. Over 60 million children have died since Roe vs Wade. This cannot continue on our watch; therefore, we must bring the Gospel light to this corner of our culture and expose the sin of murder.

## 2. Sporting Events

Millions of sports fans come out to root on their favorites teams. All races, ages, and religions come out to all kinds of sporting events. This is a great place to share the Gospel with a lot of people in a short period of time.

## 3. College Campuses

These students are the next generation of lawyers, doctors, engineers, nurses etc... If you reach them with the Gospel then we can change the direction of our Nation within two generations. This is a vital part of Gospel of God Ministries

## 4. Street Festivals

Street festivals are similar to sporting events every city has them regardless of how big or small. People just come and hang out with no real time schedule and it is a great place to engage people for the Gospel. Picking a spot in your city and routinely preaching there weekly is important and we highly encourage that also.

# MEDIA/VIDEO

Because of social media new platforms have opened up to share the Gospel. All though technology is changing the need of the people on the other side of the screen is still the same. They need Jesus! GGM is committed to share the Gospel through the following social media outlets and keep track of our growth in each one of the following:

- GAB
- RUMBLE
- EMAIL (NEWSLETTERS)
- YOUTUBE
- PODCASTS

Filming making and documentaries are other ways are culture conveys belief, so we believe that Christians should be a part of giving truth through film making and documentaries. Looking for our first full length documentary to be released by the end of 2020 Lord willing.

## SUPPORT

We support churches and church plants because this is what God determined that the gates of hell would not prevail against. Our long term vision is to raise an evangelist up within every healthy church in America.

And I tell you, you are Peter, and on this rock I will build my church, and the gates of hell shall not prevail against it.

—Matthew 16:18

# WHAT ABOUT YOU?

With all ministries our vision, mission, and values can only become a reality if it can be funded by the obedience of Gods people. We are a nonprofit entity and depend outside sources, such as local churches and individual people like you.

We want you to see this ministry as a kingdom investment and we would be remiss if we did not ask you to take action and become a monthly champion.
