Hello Partners

I hope everyone is doing well. This year is off to a great start. Training new evangelists is going well, and our leaders remain faithful to their God-given desires to be evangelists. We have been preaching out west in Las Vegas and remaining faithful here on the East Coast. In this newsletter, you will get an update on our three-year benchmark within our ten-year vision to see how close we are to achieving it; you will get a harvest field report, meet our newest evangelist, and find out how to pray for us in the next few months.

The above picture is me preaching in Las Vegas, Nevada, during the Super Bowl weekend. There was a Palestine Protest that came marching by as—in God's kind sovereignty—I was preaching from Psalms two. “Why do the nations rage and the peoples plot in vain? The kings of the earth set themselves, and the rulers take counsel together, against the Lord and against his Anointed, saying,” (Psalm 2:1-2)

When they were marching past me. I stated that everyone could quit raging against God by believing in the Messiah Jesus Christ. This is something both Jews and Muslims need. They began shouting and beating a drum in my face and I explained this was what Psalms two was describing.

I encouraged both Jews and Muslims to give up their hatred for each other and to accept the mercy of God found in Jesus Christ. When a person understands what they have been forgiven in Christ, they will extend that same type of forgiveness to their enemies—even those who want them to die.

Harvest Field Report

We Are Gideon's Army

Our three-year benchmark is progressing nicely, and we are looking to add five more leaders before the end of the year. This is the first benchmark within our ten-year vision. This would place Gospel of God Ministries inside of all six zones inside America. That means that Gospel of God Ministries would be covering all six parts of America by the end of the year! This is very humbling and what we believe here at the ministry to be the will of God for us.

There was a period when I doubted if this was God's will. Our long-term vision is to raise up a healthy evangelist inside every healthy church in America. I began to contemplate how God uses a small number of people to do amazing things—like Gideon's army and the Twelve disciples. While praying with a friend, I contemplated the world's population. 8.1 billion people and growing daily. During this prayer, God showed me that I had the wrong perspective. Let's say we raised up to 5,000 healthy evangelists in America to reach the world. That would be 1 evangelist per 1.62 million people. We are seeking to raise Gideon's army.

With a new zeal, we are focusing on training evangelists who encourage and train other evangelists and laypersons. This nation and world have a great need that can only be filled by placing saving faith in Jesus. Our political corruption could be solved if people believed in the God who said not to lie or be corrupted by the love of money. Our nation's desire for sexuality the way they want—whether with a child, same-sex, or mutilating themselves to be a gender that they are not designed for—could be resolved if they believed in the God who gave the marriage that is designed for one man and one woman. Our leader's hunger for unlimited power could be rightly restrained if they believed in the one who showed all people what humble, loving leadership looks like by sacrificing Himself on the cross, not wielding His power to get His way.

This nation needs the preacher of this Gospel. The world needs the preacher of this Gospel. This preacher needs to be encouraging and training every Christian to be doing the work of the evangelist.

Why The World Needs A Preacher Now More Than Ever

“How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching?”
Romans 10:14

This verse would make a great three-point sermon, but I don't have the time, nor do you. I want to focus on the importance that Paul emphasized on preaching. Without a preacher, there is no preaching. Without the preacher, the unbelievers will continue to call on false gods. Without the preacher, the unbelievers will not understand the Gospel of salvation.

Our country is completely imploding from false gods. It needs the preacher now more than ever, and most pastors tell their congregations to become friends with people. They could care less about training the layperson and the evangelist and sending them out as missionaries to share the Gospel. It is time for the Christian church to wake up and to be about our Father's business. We need the preacher and the layperson alike to plant the flag of the gospel and lovingly and authoritatively say, “Thus says the Lord.”

Gospel of God Ministries is committed to the local church now more than ever to train and send the evangelist out into the fiercest part of the battle of this broken, confused world with the gospel of peace. We will continue to send the evangelist to plant the flag of the Gospel in front of the Abortion Mills, Sporting Events, Street Festivals, and College Campuses and say, “Thus says the Lord.” We will continue to train the layperson to do the work of the evangelist in their workplace, neighborhoods, and families. We have to go with the Gospel.

Michael Seethaler Our New Evangelist

I'm honored by the opportunity to come onto the Gospel of God team. The leaders have consistently provided me opportunities, training, and practice for declaring the Gospel in NC. I've learned enough that now I feel comfortable bringing new men into the battle. I've followed the leaders for a few years to herald the word of God at local parades, on college campuses (NCSU and UNC), at abortion clinics (Drake Cir, and PP in CH), and before sports games in North Carolina (UNC Football). I received teaching from Gospel of God early on through Tommy's Evangelism class, which had great benefit to me.

During my time in seminary, most of my evangelistic time is relegated to Friday nights, and Saturdays. My regular grounds are downtown Raleigh on Friday nights, which I aim to use as a regular spot to train others, especially some of my seminarians. I also am aiming to consistently evangelizing in my neighborhood in southeast Raleigh. The hope is that this evangelism will lead to the growth of Christ Reformed Fellowship, my church in Garner, NC

How You Can Pray And Give With Amazing Impact

We had our founder's dinner a few weeks ago. As I have observed how God uses this dinner, it is simply amazing. He uses it in a minimum of three ways. One, He raises money through you so this ministry can continue to have a bigger kingdom impact and people can hear the soul-saving message of the Gospel. Two, He encourages the evangelists by allowing them to fellowship together and allows them to meet some of the people who support them. Third, it inspires and encourages the layperson in their faith. When I left the dinner after everything was cleaned up, evangelists and laypeople were still discussing the Bible.

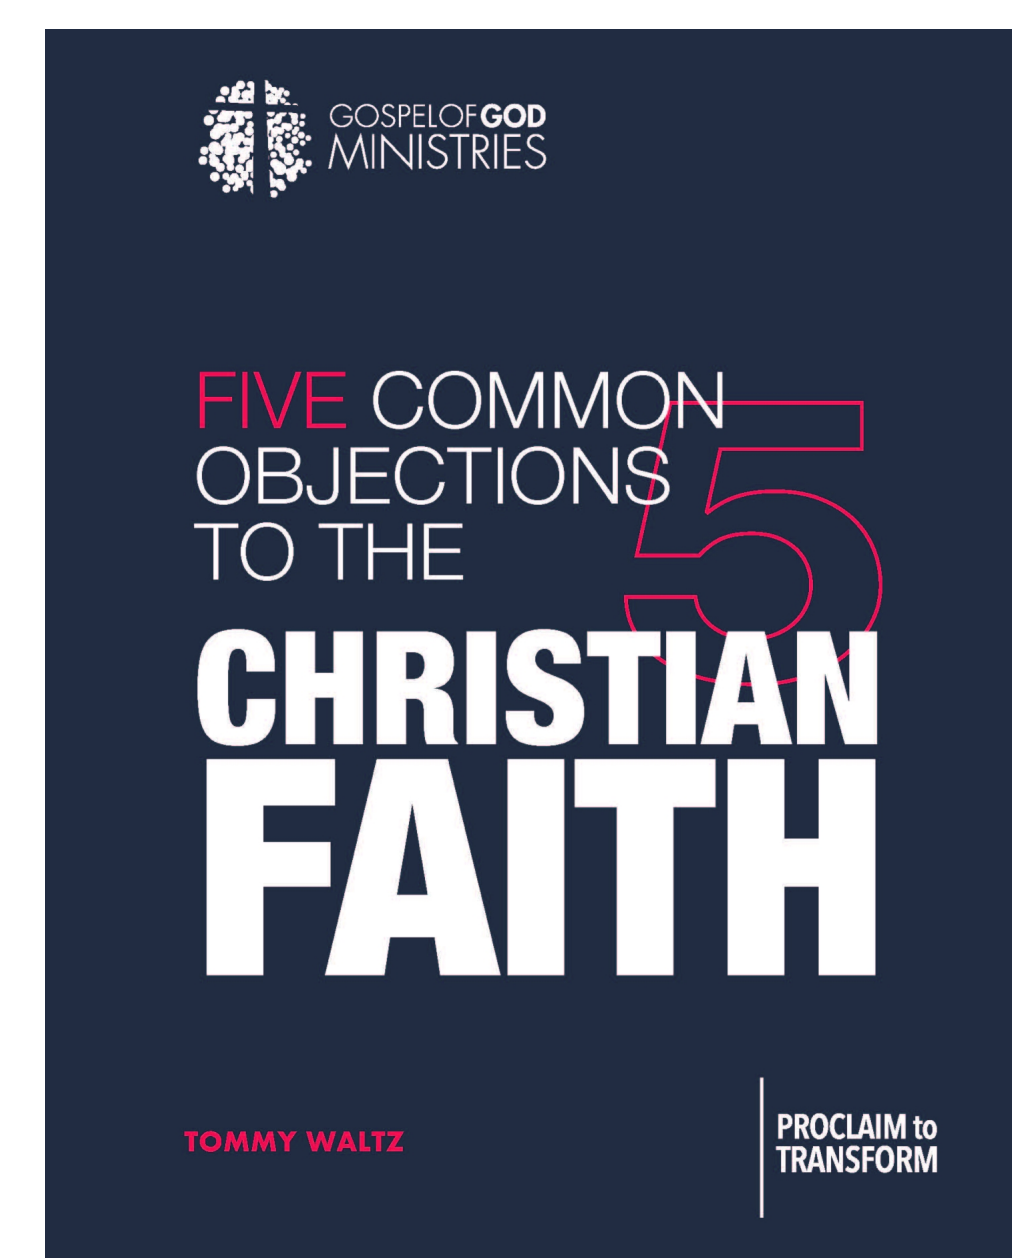

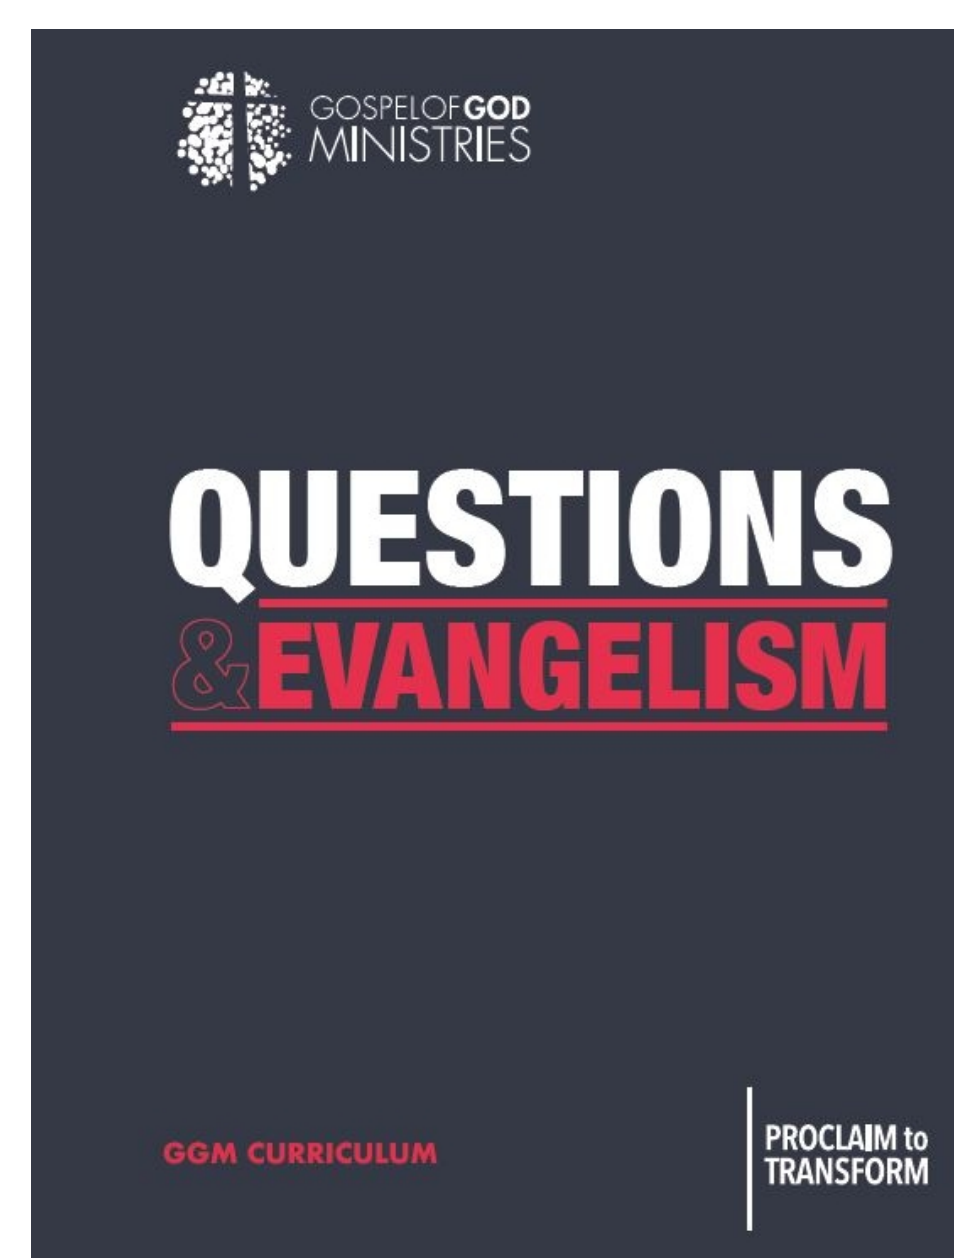

Here is a quote from a new attendee to the dinner: "This ministry inspired me and encouraged me in the faith. Thank you!"

We need to raise another 12k and keep our monthly giving to reach our budget of 156K. We have a matching grant of 4.5K that anyone can give towards. We hope that you can help us reach this matching grant. If you have never given toward the matching grant, 100% of your donation will go towards the grant up to \$400. If you have given toward the matching grant before, if you give over what you gave last year, the extra goes toward the matching grant.

Remember, belief in the Gospel is the only true hope for our nation when people get converted. Corrupt governments change, sex and gender transforming crazed cultural changes, and the death cult of abortion ends. We should work to defend honesty, Godly sex and gender, and children's lives as we take the Gospel to them all. Prayerfully give to allow us to keep proclaiming and sharing the gospel. Thank you!
