

We hope this newsletter finds you growing in the faith of the Lord and Savior Jesus Christ. Deuteronomy 4:39 states, “Know therefore today, and take it to heart, that the Lord, He is God in heaven above and on the earth below; there is no other.” This verse represents a reality that cannot be changed, no matter how many either come against Christ or choose to suppress Him. There is no other God-No other! The world needs this truth. As our culture spins further down the path of calling evil good and good evil, [Gospel of God Ministries](#) stands as a voice of truth in front of a hopeless, selfish, broken people. We stand for life - five babies have been saved already this year- from certain death. We shared the truth to the masses in subzero conditions during this year’s Super Bowl in Minneapolis, Minnesota. We reason with the truth of God’s word to the young vibrant minds on NC State and UNC Chapel Hill campuses. The streets every week ring out with the truth of God’s word now in Columbia, SC and Raleigh, NC.

Because of the faithfulness of God being exercised through our partners, thousands have heard the Gospel and it’s just April.

Our Leader In Columbia, SC / Jamie Clark

My name is Jamie Clark, from Lexington, SC. I have been a leader with [Gospel of God Ministries](#) for about a year, with the primary focus of ministry being along Main Street in downtown Columbia, Thursday nights (Thursday Night on Main). Lord willing, I will be out at the home games for USC Gamecocks football. Some major benefits of being a part of GGM is the network of Godly men who can offer wisdom and direction in the ministry of OAP, as well as prayer partners that lift up the various outreaches to the Lord. Another benefit is the availability of Bibles and tracts to hand out during outreach.

Please pray that the Lord will continue to open doors for the Gospel to go out, that hearts would be prepared to hear and repent, trusting in the Lord Jesus. Pray also that the Lord will give us favor with elected officials and law enforcement. Additionally, that He would raise up laborers for the harvest field here in Columbia. Please pray for my family and myself that I would love as Christ loves and manifest His grace daily, as well that our eyes would be focused solely on Christ, the author and perfecter of our faith, and that we would walk by faith and not by sight.

Our son Caleb, who is 3, is having difficulty with his speech and is receiving speech therapy. Please pray for this issue to be resolved. Thank you and God bless!

I am blessed to be a leader with [Gospel Of God Ministries](#). There is no greater joy than to proclaim Jesus Christ crucified to the lost, wherever they may be found. I've had the privilege of preaching with GGM for over a year now. One of the greatest benefits of serving in this ministry is the accountability that is required to maintain a personal level of holiness and integrity that God demands from those who serve Him.

I am a saved sinner. I do not practice sin but I recognize that the sin nature is still within me and I struggle with it. May the Lord help me in my struggles that my prayers and service be not hindered. I've learned that the only way to make it is through total surrender to God's will, which paradoxically is my freedom. With God's help, I am able to prepare sermons and grow in knowledge of Him, which draws me closer to the Lord.

My main focus in the ministry has been reaching local abortion facilities, as well as at the bus station in downtown Raleigh. I am also enrolled in GGM's internship program to develop skills in evangelism and apologetics. I would ask for your prayers that I would be more fervent in my prayer life and to have even more desire to see souls saved in true conversions. May the Lord be exalted and magnified in all that I do or say.

Paul Roepnack

My name is Paul Roepnack and I have been a team leader for 5 years. It has been such a blessing to preach with [Gospel Of God Ministries](#) teams locally and nationally, and doing so has increased my faith and love for Christ, as I spend time with this team of men who are challenging me and encouraging me.

Right now, my ministry focus has been the local high school here in Cary, NC, one of the largest high schools in NC, and our kids have been instrumental in that outreach. I stand with my daughter at 7am during morning drop off, offering free Bibles, Gospel DVD's, and tracts while I proclaim the Gospel to both parents and students at the high school.

The experience has been eye-opening. Students come up to ask for free Bibles, some remarking they have never owned one before. Angry parents sometimes try to interfere, but God has also provided several faithful mothers who get out of their cars to run interference. Students ask questions, and some just need a

word of encouragement, but overall the Gospel is proclaimed out loud to students who will spend the entire day accumulating knowledge, but will not be taught Wisdom, which is to fear the Lord. We pray during each outreach that God would soften hearts and open eyes to Jesus Christ. Please pray along with us.
