

The year is almost over, but, Jesus continues to remain faithful to the work that He has given His ambassadors of proclaiming the Gospel to see lives transformed. This year we have spent more time focusing on anchoring ourselves, as [leaders](#) here at [GGM](#), to the cornerstone.

*1 Peter 2:6 "So the honor is for you who believe, but for those who do not believe, "The stone that the builders rejected has become the cornerstone,"*

Here Peter is sharing who has the honor. The honor belongs to those who believe. Our belief is vitally important. Why? If we place our belief in either a counterfeit, or a lie, deception has consumed us. The honor belongs to the one with the rightly placed belief. Notice what happens to those who don't believe truth what they rejected becomes the very foundation of the entire building.

Jesus is not just a good teacher or religious leader. He is the foundation that allows all people to make sense out of their entire life. Here at GGM we take that very seriously and have worked very hard to ground this ministry, now more than ever, in the truths of scripture.

We have had more training, preaching, conversations with unbelievers, and equipping than ever before. We have focused mainly in the United States this year and have grown our influence as a ministry.

In the above picture you see Pastor Tom Cabral

of Redemption Fellowship Church sharing in his city Fall River, MA. This is a city that needs the Gospel truth. It is ravaged by drug addiction and gangs. We have worked with Pastor Tom the past five years and have seen God do really amazing things.

## Tom Cabral And Tommy Waltz Cont..

During my visit this year to MA, a young man who was a Catholic heard the Gospel for the first time and made a profession of faith to follow Christ. Let's pray that he would bear fruit proving his repentance. Also keep praying for Redemption Fellowship Church as they faithfully serve their city and share the Gospel. This church is a Gospel beacon of hope in a spiritually dark place.

Babies have been saved, unbelievers have learned to believe in the Savior rather than sin, and believers have been encouraged and equipped to proclaim this amazing Gospel. Please read the harvest field report, on the previous page, to see what God has done and rejoice with us. You will also learn in this newsletter how you can pray for two of our leaders, Zack Braddy and Sean Keefe, their families, and their respective harvest field post.

## Cults-What Do You Do When They Knock?

As the team here at GGM continues to proclaim the Gospel out in the highways and byways we constantly run into cults that need to hear the truth of the Gospel. I spent some time talking with some of the churches that we work with and they asked for training on how to respond to cults. We were able to teach a workshop at [Christ Our Hope Church](#) in Lyndhurst, NJ, in November.

In this workshop we covered Jehovah Witnesses and Mormonism. The false religions were Atheism and Islam. We covered an intro into what they believe and how to show, from the scriptures, the contradiction of what they believe.

We also covered the false belief of the Prosperity Gospel that is deceiving so many people. If you are a monthly ministry champion you will have access to all this teaching. We recorded the entire workshop and will be working diligently to edit and produce them for you. It is our prayer that this content will be a blessing to many in the body of Christ. Look for it at the beginning of next year.

**“for false Christs and false prophets will arise, and will show signs and wonders, in order to lead astray, if possible, the elect.”**

**Mark 13:22**

I am always amazed, humbled and so very grateful when I look and consider what God is doing in the Triangle, as we regularly and consistently show up at our usual fishing holes. I have the honor and privilege to exalt Jesus Christ at UNC on Wednesdays and in downtown Raleigh on Friday nights. The LORD has determined that for over two years now, another gentleman and I would exalt the Gospel from "the pit" at UNC with hopes to persuade men to escape the pit of Hell. Then, on Fridays there is a group of men and women who have lifted up Christ for over the past three years.

As always, God is masterfully faithful in His dealings with men. Many times it is difficult but we do certainly see the power of the Word of God on display and that is quite rewarding. The same God who hardens also saves so that men and women, just like the psalmist, can say, "For You have delivered my soul from death. Have You not kept my feet from falling, that I may walk before God in the light of the living?" (Ps 56:13)

Please pray for our family that we would be ever

increasing in our faithfulness. We have a son who is not saved and a daughter who may simply be religious, but not regenerated (both are unmarried and in their twenties). We also have a number of things "in flight" right now and would like the wisdom to know what God has called us to bring to completion. Thank you all so very much for your support of ministries like this. Sean and Elisa

## Zack Braddy

Praise God! He has been doing some amazing things this year in front of the abortion mill that I serve in west Raleigh. Just this year alone, by the grace of God, we have been privileged to witness over 30 women turn away from their murderous intentions toward their babies, only to instead act with love, compassion and mercy. My co-laborers and I have had countless gospel conversations, have distributed biblical Christian materials, and have given many expecting mothers blessing bags filled with helpful items to jump start them in their journey to loving their baby. God has also shown us great favor with the local authorities, allowing us to begin using PA system, in order that we might be more easily heard by the mothers and fathers in the parking lot and inside the building.

Many times I can think of several other things that need to be done during the time I am at the mill, and it is tempting to abandon my ministry to tend to those tasks. Other times, it can be lonely at the mill, when I am the only one there. I would greatly appreciate your prayers in this area. Please pray that God would grant me the strength to persevere

in this ministry. Also, please pray that God would continue to raise up laborers to be thrust out into the harvest field, in particular in front of the abortion mills. We serve a great God and King in Jesus Christ, and it is our privilege and duty as Christians to make Him known to a lost and dying world. Won't you join us? Zack and Kim

Bobby McCreery is a dear brother to the team here at GGM. We met at a Super Bowl event several years ago.
