

In the above picture, you see a woman recording the preaching. This is not uncommon, but what struck me as I contemplated this picture is how most of the world has observed life this past year. The majority have worked, got their information, and shopped either on their phone screens or on a computer screen. However, here at GGM we have been out engaging people out in the highways and byways of life. I will update everyone on where our different teams have been the first three months of the year, have our new leader Andrew Davis introduce himself and share about his corner of the harvest field, and give a brief update on our harvest field numbers.

The leaders here at GGM now are spread out on the east coast from Florida to New Jersey. Our teams have been out weekly engaging people by preaching the word and having individual conversations. A few of the leaders from Raleigh drove up to Washington, DC in January to share the Gospel. We had no idea how big the crowd would be. See the picture and full story on page 2.

In February, a group of leaders teamed up with Sports Fan Outreach International to share the Gospel with the Super Bowl crowd in Miami, FL. Cont..

Harvest Field Report

- 215 Individual Gospel conversations

1 John 2:16

For all that is in the world—the desires of the flesh and the desires of the eyes and pride of life—is not from the Father but is from the world.

Don't Buy What The Media Is Selling

In one day, a team of four evangelists from GGM reached over 125,000 people with the Gospel of Jesus Christ. Even on Capitol Hill, when the crazies were breaking into congress, most of the crowd was peaceful. We went because we knew there would be many who did not know the Gospel of Jesus Christ and what a fantastic time of sharing it was.

One lady yelled at Zack Braddy, "What do I do about my lust! How do I overcome it?" He shared the destructive nature of sin and how it is consuming her life. The Gospel was proclaimed to her as the remedy. Her eyes began to fill with tears of gratitude and thanksgiving for the freeing power of the Gospel. Listen to the apostle John, "For all that is in the world—the desires of the flesh and the desires of the eyes and pride of life—is not from the Father but is from the world."(1 John 2:16)

We handed out over 1,000 Gospel tracts and several Bibles in about four hours; it was a very fruitful trip. The media would portray all the people at the Washington rally that day as dangerous people set to destroy our country. We did not see that.

Cultural Christianity Exposed

The team at the Super Bowl in Miami, FL, had the opportunity to preach and share the Gospel with over 100,000 people in four days. We interviewed over thirty self-proclaimed Christians. Only two of them were able to communicate the Gospel from the actual teaching of scripture. You can watch the video on our YouTube page.

We have seen this for years, and now the leaders are implementing a new metric to show the church how confused the majority of people who say they are Christians are about the Gospel. They don't understand the Gospel, so we are concerned about their salvation. Pray that our findings would encourage the true church to share the Gospel faithfully.

Basketball to Preaching

Greetings to all! My name is Andrew Davis, and I am a native to Wake Forest, NC. After moving around a little, I landed in “The Forest” and attended elementary through high school in the Wake Forest public schools. The Spirit granted me repentance and faith by the Gospel of Christ at a very young age. Growing up with this child-like faith, I had a deep love for Jesus and wanted to honor him with my life. Playing basketball since I was little exposed me to a lot of different experiences culturally, and Christ bolstered my faith and led me to Southeastern.

It wouldn't take long during my time at Southeastern for the Lord to place a desire in my heart to preach open-air. I remember the Spirit convicting me of my inaction when it came to the evil of abortion. After hearing a compelling sermon on this issue, I was moved to immediately seek out ministries who were involved in stopping abortion. I knew of Apologia Studios in Tempe, AZ, and how they handled confronting abortion with the Gospel, but I was unaware of that kind of ministry in the RDU area. I remember Google searching “open air ministries” and by God's providence, the Gospel of God Ministries came up. After connecting with Tommy, I went through his course on open-air preaching that compelled me to join in on the ministry efforts.

My set location is Youngsville, NC, on Sunday afternoons on the street corner of Capital Boulevard where the CVS Pharmacy is. Still, I aim to also get into a consistent rhythm at the Raleigh clinic and downtown Raleigh once again. Please pray that I might have boldness and that I would learn to balance my schedule.

Inspirational Faithfulness

Our leaders continue to remain faithful in their corners of the harvest field. They preach and share on busy street corners, downtown sidewalks, the bar districts, abortion mills, sporting events, and college campuses. They cover Florida, South Carolina, North Carolina, and New Jersey.

They are genuinely an encouragement to us all to remain faithful to share and proclaim the Gospel. Don't forget to go out and proclaim the Gospel to see a life transformed.

Luke 4:23

And the master said to the servant, 'Go out to the highways and hedges and compel people to come in, that my house may be filled.'

Doing Our Part to End Abortion

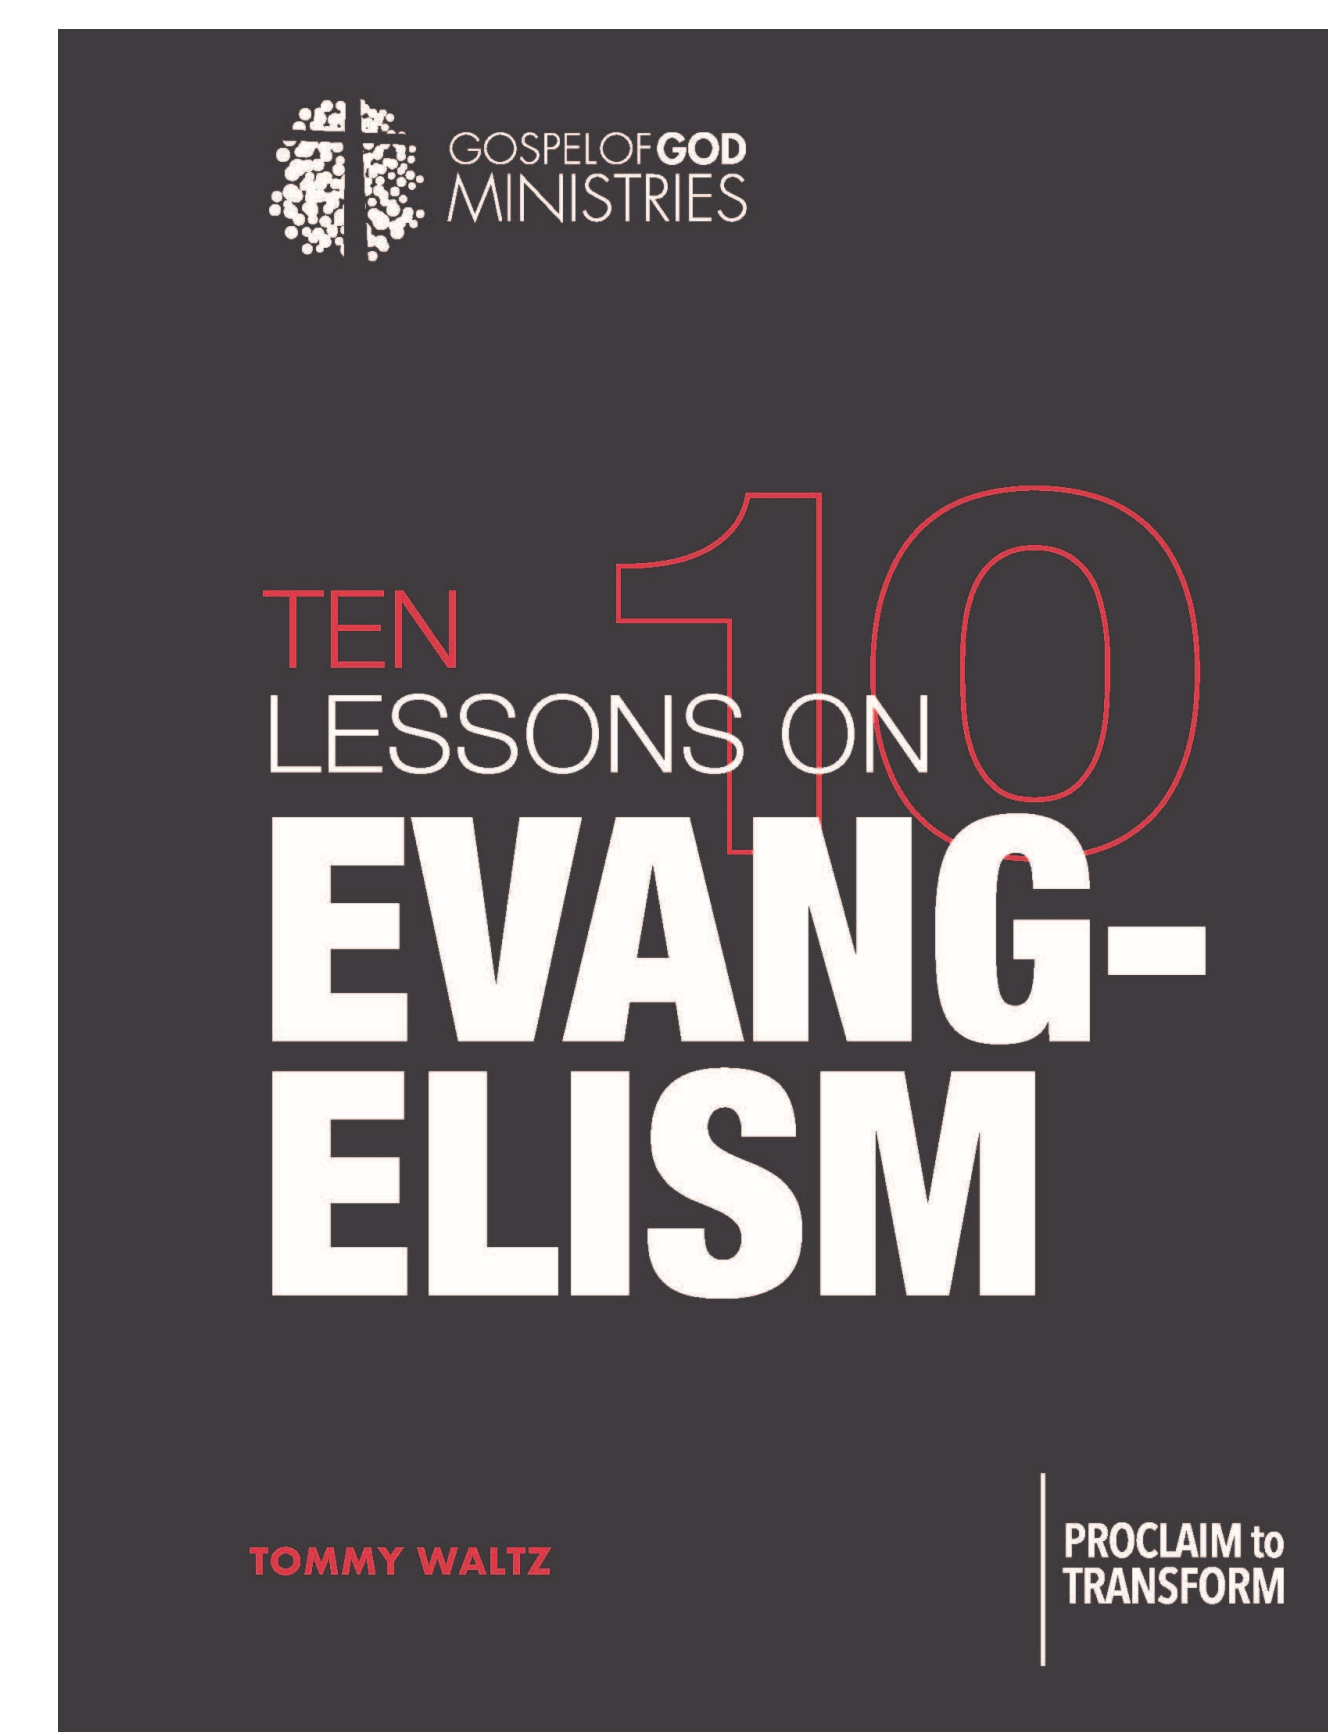

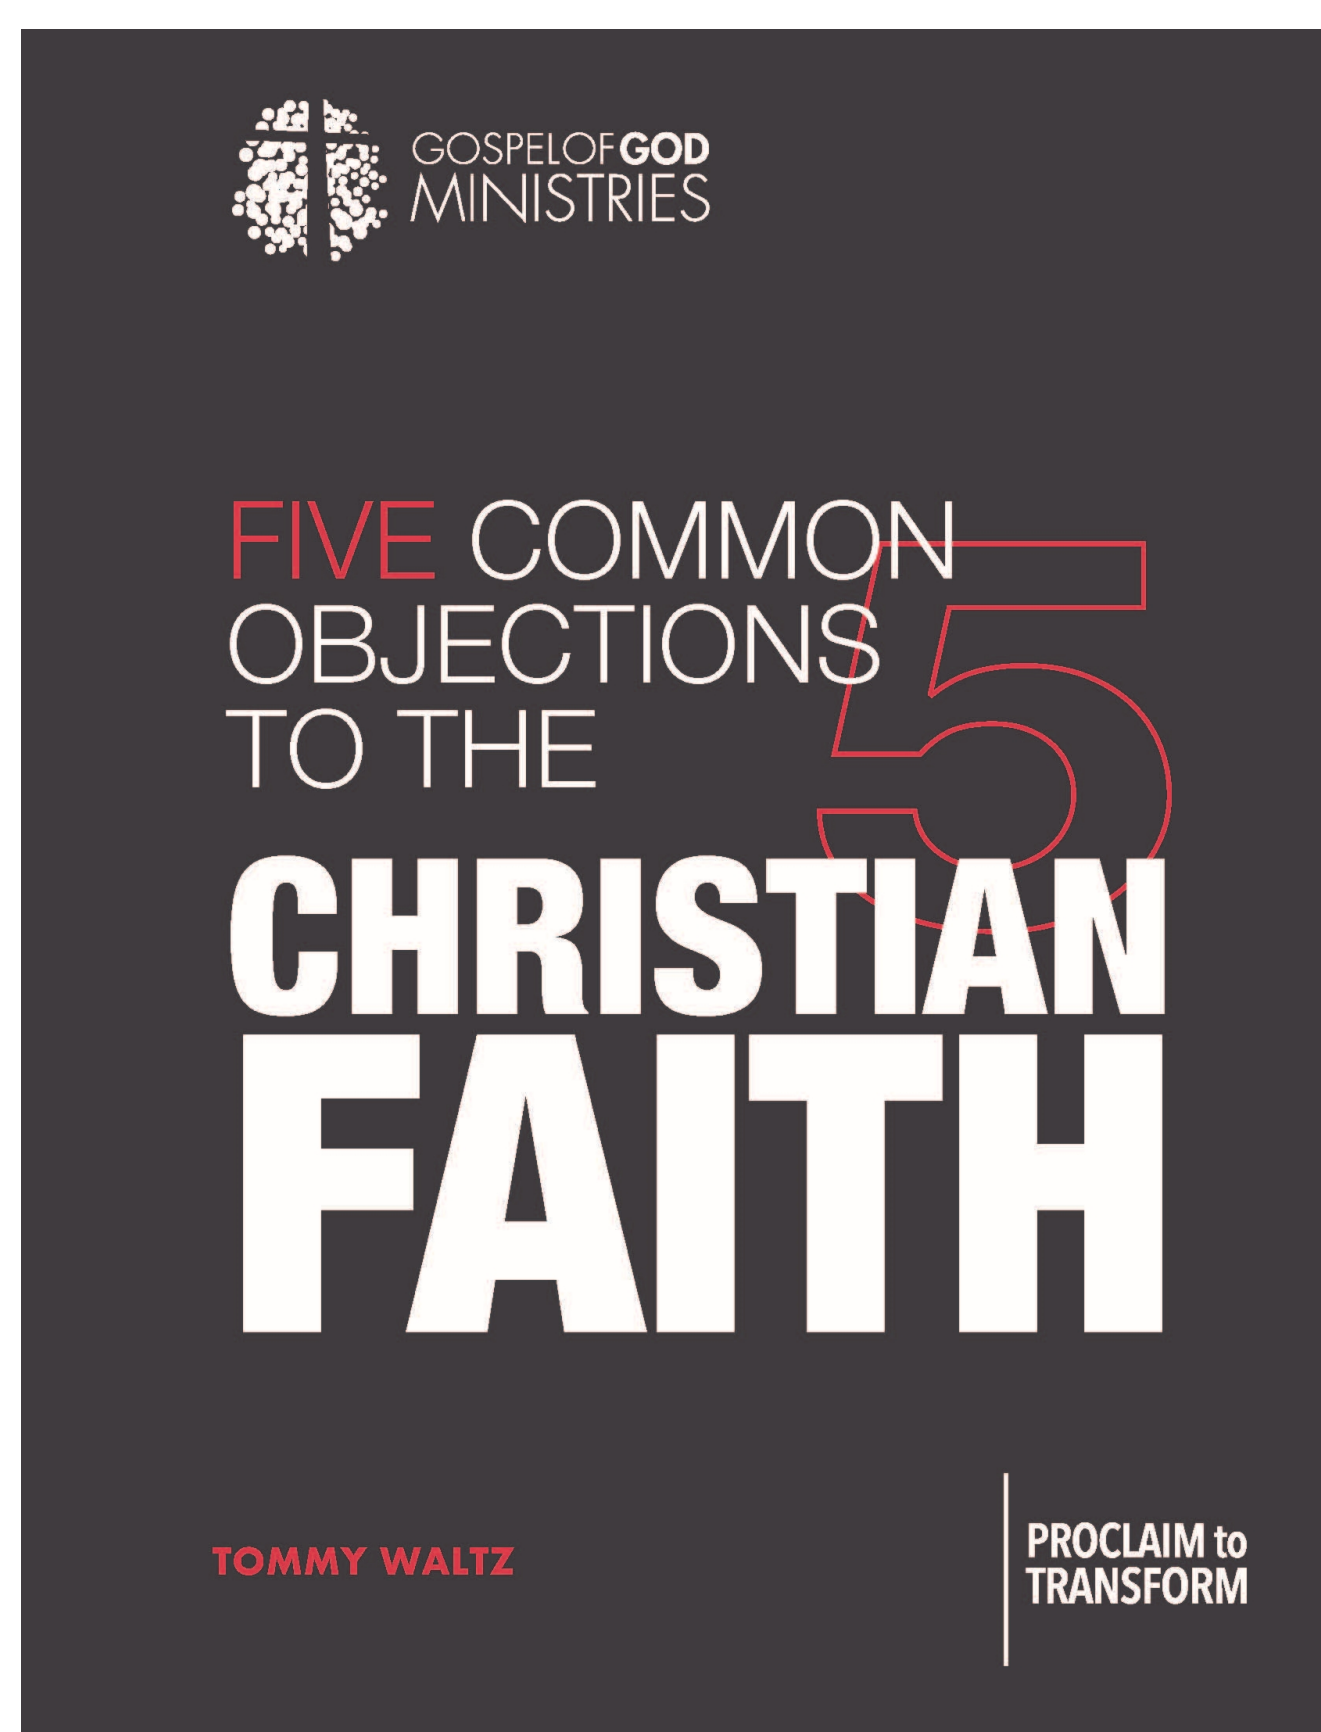

South Carolina and North Carolina will present bills for a vote that will abolish human abortion. NC bill is HB 158. Please prayerfully get your church involved.

These bills will be presented in May; please be praying that the silent holocausts will stop in the shadows of our church's steeples and that these laws would pass. Here is what will be in the bills:

- Outlaws Abortion From Fertilization
- Has No Exceptions
- Criminalizes Abortion As Murder
- Does Not Submit to Roe Vs Wade
- Repeals All Statutes That Allow For Abortion
